Nit I Dia (Night & Day)

Foreign-language drama platform Walter Presents has picked up a thriller that airs on TV3 in Catalonia for its SVoD service in the UK and the US.

Nit I Dia (Night & Day), about a pathologist who deals with the darker sides of people's lives, will be available on Walter Presents in both countries.

Currently in its second season, the series is produced by Mediapro and distributed by Imagina International Sales.

It is the third Mediapro series to have been acquired by Walter Presents owner Global Series Network, after *Vis a Vis* and [Lifeline](#) ^[1].

Walter Presents launched in the UK in 2016 via a partnership with broadcaster Channel 4 and [arrived](#) ^[2] in the US last month, marking the first international version of the platform.
